Note 1: All morning bus services stop at both the Junior and Secondary campuses and are able to pick up and drop off students for the other campus. Please see the [routes](#) for times.

All afternoon bus services commence from the Secondary Campus. Junior Students will be required to catch the Intercampus bus to Secondary and transfer to their respective buses.

Note 2: The Faith Bus Service does not provide a door-to-door service. Pick up or drop off will be at existing Bus Stops in your area, or safe locations. Please review the bus stops on each route on the website: Northern run, Southern run, Capalaba Loop run to determine your nearest stop. Please contact reception to advise if your child requires specific travel arrangements such as different stops on different weeks.

Note 3: Bus tags will be allocated to students who are new to the service. If your child is an existing traveller and already has a bus tag, please include the bus tag number in the following section. Please note that replacement tags attract a \$15 fee.
