

Faith Lutheran College, Redlands

Faith in Christ ... prepared for life.

Mission Statement

Faith Lutheran College is committed to providing quality learning opportunities while nurturing the development of all students in a Christ-centred community.

SAFE COMMUNITY POLICY

This policy applies to all members of the School community, including teachers, students, sports coaches, instructors, work experience supervisors, parents, ancillary staff, voluntary workers and student teachers.

This policy is to be applied in alignment with the Lutheran Education Australia Valuing Safe Communities Policy and Faith Lutheran College, Redlands Child Protection Policy. All issues pertaining to sexual abuse must be dealt with as specified in the Child Protection Policy.

The Lutheran Education Australia document, Code of Conduct for safe and professional relationships provides further elaboration on the behavioural expectations of all in our community.

In these matters also refer to the College Anti-Discrimination Policy.

STOPPING BULLYING, HARASSMENT AND DISCRIMINATION IS IMPORTANT

Faith Lutheran College, Redlands affirms the worth and dignity of all individuals in its community. We uphold this belief on the basis that all are created in the image of God and that all are embraced by God's love evidenced in Christ's life, death and resurrection. The ministry of Jesus Christ gave respect to all people irrespective of class, race, gender or status.

Faith Lutheran College, Redlands is committed to enabling each person to reach their potential, and to uphold each other in caring, supporting, encouraging and forgiving relationships. We, therefore, believe all members of the School community have an equal right:

1. to be treated fairly by fellow students and staff (*and therefore we show respect for each other*);
2. to feel safe and secure (*and therefore we treat each other with kindness and support*);
3. to learn, and grow towards their full *potential* (*and therefore we will support and encourage each other in our work*);
4. to feel valued, accepted and cared for as unique individuals (*and therefore we will listen to each other, encouraging self-expression, and we will accept each other as we are*); and
5. to have their own property (*and therefore we will respect and protect the property of others*).

Because bullying, harassment and discrimination affect a person's well-being, self-confidence, work and relationships with others, it is contrary to the values of a Christian Community and totally against the College's ethos. It may also be against the law.

WHAT IS BULLYING, HARASSMENT AND DISCRIMINATION?

If a particular behaviour repeatedly embarrasses, upsets or hurts another person, then it can be classified as harassment or bullying.

The Victorian Department of Education and Early Childhood Development provide the following definition:

'Bullying is when someone, or a group of people, upset or create a risk to another person's health and safety – either psychologically or physically – or their property, reputation or social acceptance on more than one occasion.'

Research also suggests that bullying in schools usually involves a student having more power, deliberately bullying another. Bullying is a form of aggressive behaviour and can be differentiated from teasing and violence in three ways:

1. Bullying is a deliberate hurtful action directed towards another person or persons, by one or more persons.
2. Bullying is repetitious in nature, where incidents occur more than once and are not random acts.
3. Bullying involves a person/s having more power or strength at the time. As distinct from playful teasing, bullying is an action that creates an imbalance of power. Examples of this power imbalance may include but are not limited to physical dominance, social dominance or a group versus an individual.

Types of Bullying

There are a variety of categories and examples of bullying behaviour including:

- **Direct Physical Bullying:**
Hits, trips, pushes, pokes, damages property, physically threatens, gives intimidating looks, steals property, touching and brushing up against (sexual nature).
- **Direct Verbal Bullying:**
Calls names, insults, makes homophobic remarks, makes racist remarks, verbally abuses name, family, religion, disability, or other individual characteristic of 'target', laughs at, puts down, threatens, sexual joking and innuendo.
- **Indirect Bullying:** (Sometimes referred to as 'Social Bullying')
This form of bullying is harder to recognise and is often carried out behind the bullied student's back. It is designed to harm someone's social reputation and/or cause humiliation): lies and spreads rumours, plays nasty jokes to embarrass and humiliate, mimics, deliberately leaves "target" out of activities, encourages others to socially exclude someone, damages someone's social reputation and social acceptance.
- **Cyber Bullying:**
Cyber bullying involves being cruel to others by sending or posting harmful material or engaging in other forms of social aggression using the Internet or other digital technologies including phones. Some of the main forms of cyberbullying include:
 - Flaming: online fights using electronic messages with angry or vulgar messages

- *Sexual Assault* - a term which covers a number of criminal offences, such as indecent assault, aggravated sexual assault, sexual intercourse with a young person under seventeen years of age and rape. ***The Child Protection Policy and Procedures must be applied to all issues relating to sexual abuse.***

Disability discrimination includes:

- *Disability discrimination* - treating a person with a disability less favourably merely because they have that particular disability.
- *Disability harassment* - embarrassing, hurtful, offensive and demeaning treatment of a person merely on the basis that that person has a disability.

Harassment of any kind is unwanted and unwelcome.
