Unknown Hero

This week at the 11th hour of the 11th day of the 11th month we remember all those who have died in war, particularly World War 1, in service of their country. Below are the lyrics of a beautiful song written by an Australian recording artist Steve Grace. You can listen to the song via the YouTube link below. It has an ANZAC and Australian flavour of course, but it is particularly poignant at this special time of year. Those things that unite us are far stronger than those things that divide us.

<https://www.youtube.com/watch?v=t8v2rTG6-MI>

REMEMBRANCE DAY

He was still 17 when they gave him a gun
And sent him off to the war.
He didn't understand what was really going on
Or the reasons that he'd be fighting for.

Said goodbye to his family,
Farewell to his friends
And a life in that little mid-west town.
He didn't know if he'd be coming back again
To a war with his mates he was bound.

And he was fighting for Australia
For the future and the freedom of this land.
And at Gallipoli, he'd fight for you and me
The unknown hero, the young soldier man.

He had plans, that one day he would marry,
Build a house he could proudly call his home.
Settle down and start to raise a family,
He'd work hard but he'd make it on his own

But he heard the call to war
And he had to make a stand.
It was time to die or defend,
And fighting with his mates
In a far-off foreign land
He'd give his live to see that battle end.

And he was fighting for Australia
For the future and the freedom of this land.
And at Gallipoli, he died for you and me
The unknown hero, the young soldier man.

No greater love could you ask of any man,
To lay down his life for his friends.

He was fighting for Australia
For the future and the freedom of this land.
And at Gallipoli, he died for you and me
The unknown hero, the young soldier man.

The unknown hero, the young soldier man.
Lyrics by Steve Grace.

May God bless all those who serve.

Faith Herald

SECONDARY SCHOOL

COLLEGE CAPTAIN REFLECTIONS - At our staff meeting this week we heard from the current College Captains. The students provided the teachers with their reflections on the year that has been. They explained what went well and what could potentially be improved next year.

It was fantastic to hear how the culture created at the College helped them flourish throughout their time. That they valued the high relationships model employed at the College and the fact that teachers really made an effort to connect with them.

More powerful were the things they thought could improve. This list is just a few:

- Senior students tutoring younger students.
- Affirmations in PCG classrooms.
- Maintain accountability but allow for more flexibility in learning spaces and with tasks. Allow students to organise their own time more. Give students time to work on English if it is due today, or Science or Music if that is due today.
- Provide space for regular Inter-House competitions (this will happen when Wednesday House Activities resume)
- Special Year level games against teachers or against Year 12. Rather than only Year 12 v teacher games.

But most powerful in their reflections was the following statement to the question 'Is there anything you don't want to continue in future years'. To which they replied 'Nothing. However, if you asked this question 3 years ago there would be a list of things'.

Faith has been and still is on a journey of improvement and learning. We really value this feedback and appreciate that students have noticed the change and the type of culture we are attempting to create. There is lots more to do but we are buoyed by the challenge of making Faith a truly student centred school.

ELECTIVES - Elective forms have been handed out to students in Year 7 – 9. If you have any questions please contact Mr David Moore or myself.

CONGRATULATIONS - Jasna won 2 bronze medals at the 2020 Brisbane Metropolitan Swimming Relay Championships held at Chandler on Sunday.

- 12 and under 4 x 50 medley relay

- 12 and under 4 x 50 freestyle relay

Congratulations to Jasna and her 3 female team mates from Redland Swim Club.

READY FOR WORK - Our goal at Faith is to give kids everything they need to be ready for work or for university. With this in mind it was great to see our Year 11 Hospitality students receive their Responsible Service of Alcohol Certificates (RSA's).

LEARNING UNTIL THE END - At the end of this school year we will be working right through till the end. With the exception of some fun things happening on the students' last day (along with some housekeeping), I ask families to keep students in school until the end of the year and not to fall for the "there is nothing happening at school" comment some students use. If you ever want to know what is happening at the

Stuart Needham
Head of Secondary School

JUNIOR SCHOOL

CELEBRATION OF LEARNING - As we near the end of a year that has presented challenges, opportunities and experiences that have helped our students grow and flourish we have taken the opportunity to ensure how we celebrate our students at our end of year events is reflective of what we value. Whilst our awards will remain in the categories both academic and service and loyalty, we have renamed and realigned them slightly with the changes this year has brought upon us. We have also changed the year levels that receive these to include all grade levels. Each student will still receive their class completion certificate as well. There are no changes to our Year 6 Special Perpetual awards that are presented as part of our Faith Celebrates evening each year. **The awards that will be presented at this year's Celebration of Learning will be:**

| Prep - Year Student Awards | |
|----------------------------------|--|
| Previous Award Title | New Award Title |
| Service and Loyalty Commendation | Citizenship Award - Care Citizenship Award - Commitment Citizenship Award - Courage Citizenship Award - Courtesy Citizenship Award - Commonsense |
| Service & Loyalty Overall Award | Citizenship Excellence |
| Year 2 - 6 Student Awards | |
| Previous Award Title | New Award Title |
| Academic Subject Commendation | Literacy Award Numeracy Award World Around Us Award |
| Overall Academic Award | Academic Excellence |

2021 YEAR 6 LEADERSHIP POSITIONS - Our Year 5 students are currently working hard on preparing their application to be considered for one of our many Year 6 Leadership positions in 2021. We continue to recognise all our students as leaders of our Junior School and each student will receive a position of responsibility, either elected or selected, in 2021. Our new structure will provide maximum opportunity for all students to not only be seen as the leaders of our Junior School but to also actively influence and contribute to our culture and daily school life.

| School Leaders (elected position) | Ambassadors (student preference) | Stewards (student preference) |
|---|--|--|
| 4 x Junior School Leaders (2 boys, 2 girls) | | 2 x Ceremonial Officials Flag, ANZAC day etc... |
| 8 x Sport and Cultural Leaders <ul style="list-style-type: none"> 1 Sport Leader per house (4 in total) 1 Cultural leader – Music 1 Culutral Leader – Visual Arts 1 Cultural Leader – Drama 1 Cultural Ledaer - Dance | House Ambassadors 5 per house = 20 (Cheer/spirit squad) | 10 x Eco Warriors Recycling, garden etc... |
| 2 x School Community Leaders (previously Student Council) | 5 C Ambassadors responsible for boosting the profile of their 5C in daily school life 2 per 5C (Care, Commitment, Commonsense, Courtesy, Courage) = 10 | 4 x AV Crew sound and lighting etc... |
| 2 x Christian Life Leaders (previously Chapel Steward) | 8 x Our World Ambassadors helping learning to come alive Literacy x 2 (Library, reading etc) Numeracy x 2 Science x 2 Technology x 2 HASS x 2 | 4 x Break time Buddies running lunch clubs, supporting students etc... |

MUSIC NEWS

FAITH'S GOT TALENT 2020 - Since revealing our 10 finalists, our panel of judges, Mr Altmann, Mrs Wheeler and Mrs Manthey have viewed the online entries of our finalists and determined our winners for Faith's Got Talent 2020! From 130 initial entries it has been a difficult decision to choose our place winners.

All students who entered are to be commended for their courage and for sharing their gifts and talents with the community.

Congratulations to:

- 1st** Francesca Orendain 7B
- 2nd** Nikita 9A and Mackenna 3W Van Heerden
- 3rd** Cora Blacket PN

Encouragement Award:

- Charlie McDonnell 7B
- Bradley Upton 7A

Congratulations and well done! Faith really has Got Talent!

SPORTS NEWS

CONGRATULATIONS - Molly Williamson recently competed with over 600 participants from all over Queensland at the BMX State Championships. Molly won the 10 year old Girls State Championship Final at the Sleeman Sports Complex, giving her the 1Q plate. She also came second in the 8-10 Cruiser Class. This has capped off a memorable year for many reasons but nevertheless was able to achieve number 1 in the National Series as well as the number 1 in the State. Molly would like to thank FLCR, her Teachers and school mates for their support in her chosen sport.

SECONDARY SPORT - Last Friday our Falcons Touch teams played their final round at the Cleveland Show Grounds. Our U14 team narrowly missed out on a win with a score of 3-4, but still finished 3rd in their division - not too shabby for their first year in the competition!

Last Monday saw the Falcons Volleyball teams play their final games of the season. Most were playing a social round but the Year 8 girls were in a play-off for 3rd place overall. It was a very close, exciting game but unfortunately their opponents just edged ahead in the final set to secure the win. No medals this time, but an excellent effort from our QVSC winning team. Well done girls!

Our U16 Basketball boys have their semi-final game this coming Friday and are strong contenders for a spot in the grand-final. We wish you all the best of luck for the game - you have worked so hard and deserve every success!

In other news, our Faith Fins Swim Squad recommenced this Wednesday morning with students from Years 4-9 hitting the pool at 7am! A couple of spots have become available for this - if you have a student currently in Years 4-11 who would like to be involved, please email Mrs Campbell as soon as possible to secure their place - kcampbell@flcr.qld.edu.au

STAFFING UPDATE

Congratulations to Helena Lambert who has been seconded to work in the area of Identity and Formation at Lutheran Education Queensland in 2021. Helena will remain on staff here at Faith but will be working from LEQ Milton office and supporting teachers in each of our 26 Lutheran Schools in Queensland. This is a great opportunity for Helena and we wish her well as she undertakes this important work.

Mrs Janine Clarke will be finishing up this year after 12 years working as a Piano Tutor here at Faith. Janine is a much loved member of our team and will be missed. She will still be working with students through her private tutoring services and as such we still expect to see her around from time to time. We wish her every blessing as she moves on to what is next.

Our long-serving Junior School teacher, Caroline Hay, is also moving on at the end of 2020. Caroline has accepted a position at Redlands College which is a bit closer to home for her. We are so thankful for her service and of course we will have opportunity to say farewell in coming weeks. As we finalise replacements of our team members who are moving on, we will keep families in the loop.

P&FA NEWS

Book Fair was a huge success - thank you all for your support! Faith families raised a total of \$850 for our library to spend on resources from Scholastic.

Due to COVID restrictions, we will not be holding our annual Christmas stall this year, but we are looking forward to creating some wonderful family events in 2021.

As we come to the close of the school year, it's a great time to check the name labels in all of your children's uniform items - or get them to! The students inadvertently pick up other student's hats, etc and it would be great to return those items to Lost Property or the real owners before the end of the year, thank you.

Would you like to get involved? The Annual General Meeting is on Monday, 23 November, 2020 at 3:30pm, in The SPAH at Junior School. The 2021 P&FA Executive Committee will be voted in. All positions are open so please pop your nominations in by Monday, 16 November, 2020 and any questions you might have to: admin@flcr.qld.edu.au.
